

Moondance

Use French knots for the pupil of the eye and the centers of the flowers.

Use a single strand of floss to stitch the word.

Moondance

Instructions

1. Use a Pigma permanent marking pen in the same color of floss that you choose.
2. Trace the image below onto a 12-inch square of light-colored fabric.
3. Use two strands of floss to stitch the image, except where noted.
