

Paper Doll (page 1 of 2)

Supplies

- 1 8½ x 11-inch piece of sturdy card stock
- Small hole punch
- 5 small brads
(or you can attach the limbs with small beads sewn through the holes)
- Markers or colored pencils to add “make up” to the face
- Anything you can think of to embellish your paper doll, such as
 - Glitter
 - Tulle
 - Ribbon
 - Sequins
 - Decorative paper
 - Fibers
 - Beads
 - Paint
- Glue

Instructions

1. Print the template on the following page onto sturdy card stock.
2. Put “make up” on the face.
3. Color or decorate the torso and limbs.
4. Cut out all of the pieces.
5. Punch holes at each of the dots.
6. Assemble using brads.
7. If desired, punch holes around the head to add hair (cut decorative fiber into 3-inch lengths and thread through the holes).
8. Embellish your doll to your heart’s content – more is more, and there are no mistakes! Have fun!

*Express your inner diva
when you make this
paper doll!*

*The finished doll measures
about 11 inches tall.*
