Terrific Tuna Treats for Your Dog or Cat

Healthy treats for the cat or dog in your life.

- About 6 ounces canned tuna, chopped fine (more or less doesn't really matter)
 - 4 tablespoons vegetable oil (plus a bit more, if needed)
 - 1 cup flour (plus a bit more, if needed)
 - 1 cup corn meal
1. Preheat oven to 350 degrees Fahrenheit.
 2. In a large bowl, mix all ingredients well. (A food processor is easier.)
Note: If the dough is too wet, add more flour; if it's too dry, add more oil.
 3. Break off bits of the dough and with the tips of your fingers, squash into little shapes, sort of like a pyramid.
 4. Transfer to a baking sheet and bake for 30 minutes. Allow to cool.
 5. Store in an airtight container in the refrigerator.

Note: These are treats, not a replacement for your pet's regular food!
